THE

Boston Annual Advertiser

ANNEXED TO THE

BOSTON DIRECTORY.

☞ THE utility of this sheet and the benefit to be derived by the advertiser, will, we believe, be acknowledged by those who reflect that the Directory has an extensive circulation through the business part of the city; is to be found in most or all the public houses; and, consequently, daily in the hands of those who visit the city on business; therefore, an advertisement inserted in it is exhibited longer to public view than through the medium of any other publication. This mode of advertising has met the approbation of the public in our southern cities—their Directories contain a great number of Advertisements, one of which has 67 pages, consisting of all descriptions of manufactures and other permanent business.
